INVITATION ADVERT FOR THE LGSETA & NMBM PRIORITY AREAS QUALIFICATIONS BURSARY APPLICATIONS FOR THE 2024 ACADEMIC YEAR

The Skills Development and Employment Equity (SD&EE) sub-directorate is mandated to provide employees with opportunities for educational advancement, where such educational advancement is in a field of study relevant to the achievement of the key priority areas of the Municipality, falls within the category of priority areas of skills and qualifications that are Local Government Sector Education and Training Authority.

The Nelson Mandela Bay Municipality hereby invites all its eligible employees to apply for a bursary opportunity in respect of the 2023 academic year studies. **This bursary advert is different from the Employee Bursary Scheme Advert which closed on 13th November 2023 in that these focusses only on qualifications which are priority areas LGSETA.**

PLEASE NOTE: For this bursary, permanently employed staff do not have to study qualifications in the same line of their current work in order to qualify, as this bursary scheme seeks to provide opportunities to employees who, in line with their succession plans, wish to be employable within the Municipality or beyond.

In an attempt to bridge the gap, the SD&EE sub-directorate has identified and made provision of study financial assistance towards post and undergraduate tertiary qualifications to employees, in order to promote the principle of life-long learning which will contribute towards the development of employees, appropriately address the priority skills of the Municipality, and further enhance service delivery.

Applications will only be accepted for the identified qualifications listed on **Annexure A**, and must be submitted to the office of the **Skills Development & Employment Equity sub-directorate, situated at Starport Building, 15th Floor, Govan Mbeki Avenue, Gqeberha**, by the **23rd of January 2024**.

For enquiries, you are welcome to contact Ms. Zodwa Jikeka on zmaqoqa@mandelametro.gov.za or on 041 506 2886.
